

## **WAG COVID-19 Policy Arena February 2021**

Note: Requirements may change as per provincial or federal restrictions.

Students will need to read and confirm agreement with this policy before a spot in a class will be confirmed.

Students may not come to class if:

- they have a fever
- they have been outside the country in the past 14 days
- they or anyone in their household have been in contact with a person known to have been infected with COVID-19 or to have any of the symptoms (fever, cough, etc) within the past 14 days

Students will be required to confirm that they meet the above requirements before accepting a spot in class. We require that students ask themselves these questions before coming to each class.

Anyone tested for COVID must advise their Instructor or the Head Instructor if they have tested positive.

**Physical distancing, staying 2m apart, is to be maintained by all as per provincial regulations and signs posted. Masks are to be worn.**

Students will enter and exit the arena using physical distancing. It will be imperative for students to be on time for their classes. If the class is already in the arena with the door closed, the class has started. You can knock but if the instructor is unable to answer, you will miss that class. You are **NOT** to enter on your own. As per our refund policy, a make-up class will not be provided.

Students will enter/exit the teaching area of the arena using the barrier gate. Students are responsible for hand sanitizing before and after.

The waiting area has been extended within the arena to allow more room for physical distancing. Marked areas “tie-downs” will be spaced accordingly. **They are not to be moved.** Each student is to remain with their dog at the “tie-down” unless otherwise instructed by their instructor.

Students are required to bring whatever they may need for their class (treats, water & water bowl, poop bags, hand sanitizer). **Please do not share.**

Masks will be worn by everyone. If physical distancing permits, instructors may remove their mask to explain an exercise.

Classes will have a maximum of six (6) students at all levels. In order to ensure that physical distancing of 2m can be met, parents/partners/visitors will not be allowed in the arena.

Students will be asked to help with the equipment. If they do, they are responsible to ensure they sanitize their hands.

Each day the door, gates and barriers will be sanitized by the instructor.

Students are requested to provide hand sanitizer for themselves. However, WAG will make hand sanitizer available as a back-up. WAG will provide surface disinfectant for the equipment.

WAG will have a porta potty available. Anyone who uses it must wipe everything they touched and make sure **NOT to put the sanitizing wipe in the porta potty.** Wipe and take it home! Due to the cold, WAG will not provide wipes so please ensure you have your own wipes with you.

Students not adhering to the policy will be warned by their instructor or the Head Instructor. If a second warning is required, the student will be asked to leave the class. Students in the class are encouraged to help remind their fellow students of the rules and to keep their physical distance.
