

## WAG Refund Policy

- Payment is required on or before the first day of class.
- WAG does not provide refunds if students withdraw from a session once classes have started unless the withdrawal is for medical reasons (human or canine).
- If a student must withdraw from the session due to medical reasons, the student will be able to receive class credits or a refund for the remaining classes in the session.
- In the event that WAG cancels a class due to weather or facility problems, a makeup class will be provided, typically at the end of the session. WAG will issue a class credit only if WAG is unable to fit in the makeup classes before the next session.

### Missed Classes

- WAG does not provide refunds, credits or makeup classes for missed classes.
